

# CLEAR THE WAY!

FUSO Genuine Wiper Components ensure maximum visibility for safe driving in poor weather. Wiper blades have been developed to exactly match all FUSO truck and bus windshields and all components are aerodynamically designed to minimise noise and increase longevity.

## GENUINE FUSO PARTS

### USE GENUINE PARTS TO GET THE BEST OUT OF YOUR ASSET

Fuso NZ holds more than 12,000 unique part lines in stock. Genuine FUSO parts offer a better return on your investment, delivering quality and durability to maximise the time your truck spends on the road. Original equipment backed by 24-month warranty when parts are

installed by an authorised FUSO dealer. Contact your nearest dealer today to enquire and make a booking with one of our certified FUSO technicians – highly trained professionals who know your truck or bus better than anyone.

\* Available from authorised FUSO dealers. Actual products may differ from images shown. Parts installed by anyone other than an authorised FUSO dealer carry a 12-month unlimited km warranty.
